Let Pleasant Holidays turn winter dreams into realities

Find perfect remedy for cabin fever in Caribbean

SUMMER IS THE MOST ANTICIPATED SEASON OF THE YEAR. Beautiful weather, swimming pools and the scents of outdoor barbecue and freshly cut grass break our cabin fevers.

It's a great time to get your vacation on! Extend your summer by rewarding yourself with a getaway to a tropical climate. And let a AAA Travel Advisor make this dream become a reality by assisting with your plans and making sure you take advantage of member benefits.

Perhaps the best option is a visit to a Caribbean island. Some don't even require a passport.

They greet you with open arms and treat you like family. These intimate nooks are slices of heaven. Resorts are unique but share similar settings – masterpieces, to say the least.

Puerto Rico, St. Thomas and St. Croix rank among the Caribbean's more popular islands – and they don't require a passport. Puerto Rico is a sovereign state of the U.S. and St. Thomas and St. Croix are part of the U.S. Virgin Islands.

AAA East Central and Pleasant Holidays are eager to make these trips become realities. Book a vacation at an all-inclusive Caribbean resort (Puerto Rico, St. Thomas and St. Croix are not all-inclusive) for seven nights or more and receive a discount of \$75 off per person double occupancy, if booked with a deposit between August 1 and September 15, 2023, for travel from August 15, 2023, through April 30, 2024. Prices include airfare.

It's difficult to ignore. Light breezes ruffle your hair under the beauty of clear skies dotted with puffy, white clouds. Sandy beaches nibble at your toes, and the crystal-clear water of the Caribbean Sea puts a bow on a well-earned prize.

These islands of the Caribbean help form a bracelet of shiny diamonds that brighten the days of millions of vacationers annually. Tranquility erases your daily concerns and the calming sounds of waves breaking on the shoreline allow time to stand still. It's a getaway few trips can match and one that won't soon be forgotten.

By the time your trip concludes, you won't ask yourself *will I return*, but rather *when*.

Bask in the glory of these palatial destinations. The finest restaurants are blessed with eclectic themes. Pools have swim-up bars. Pristine beaches are populated with comfortable chairs. Music and entertainment are plentiful. First-class lodging is a given. And a list of other amenities will turn this vacation into a blessing.

Discover the El Yunque rainforest in Puerto Rico. It's the only tropical rainforest in the United States Forest System. It encompasses 28,000 acres and reaches an elevation of 3,526 feet. The rainforest averages 200 inches of rainfall a year, as well as roaring waterfalls. The guides will lead you along well-marked trails through the lush woodlands, where you will be able to see the nest of the Puerto Rican parrot,

REAL ID Extended to May 7, 2025

The Department of Homeland Security extended the REAL ID deadline to May 7, 2025. The REAL ID Act established minimum security standards for state-issued driver's licenses and identification cards and prohibits Federal agencies from accepting for official purposes licenses and identification cards from states that do not meet these standards. Beginning May 7, 2025, every state and territory resident will need to present a REAL ID compliant license/ID, or another acceptable form of ID for boarding commercial aircraft, accessing Federal facilities and entering nuclear plants. The Transportation Security Administration (TSA) considers a current passport or military ID acceptable identification for boarding an aircraft. For more information on New York's REAL ID-compliant license, visit dmv.ny.gov.
