flora and fauna of the Palo Colorado Forest and its other inhabitants. The Sea Trek Helmet Dive at Coral World Ocean Park in St. Thomas allows you to experience the thrill of exploring the ocean without losing time for specialized training. It's the world's premier underwater helmet-diving experience. Imagine walking in zero gravity while surrounded by incredible aquatic life – that's Sea Trek. The helmet provides the air, weight and

stability to walk upright under water. Your head and hair stay completely dry, and you breathe normally inside the helmet. Fish and other sea creatures swim up to your visor. Immerse yourself in the history and culture of St. Croix as told by a local guide. View magnificent architecture and peek out at a wondrous sea. Stroll its cobblestone walkways that are surrounded by arched galleries. The once prestigious residences and

mercantile shops of wealthy Danes have been transformed into a shopping-and-restaurant district. Puerto Rico, St. Thomas and St. Croix ... That's quite a trifecta. Visit one or – what the heck! – try them all. You can't lose. Winter doesn't have to be drab. Caribbean resorts keep Jack Frost at bay. Preferred attire includes swimsuits and sandals. And the only thing cold will be your drinks.
