REAL ID Extended to May 7, 2025

The Department of Homeland Security extended the REAL ID deadline to May 7, 2025. The REAL ID Act established minimum security standards for state-issued driver's licenses and identification cards and prohibits Federal agencies from accepting for official purposes licenses and identification cards from states that do not meet these standards. Beginning May 7, 2025, every state and territory resident will need to present a REAL ID compliant license/ID, or another acceptable form of ID for boarding commercial aircraft, accessing Federal facilities and entering nuclear plants. The Transportation Security Administration (TSA) considers a current passport or military ID acceptable identification for boarding an aircraft. For more information on West Virginia's REAL ID compliant license, visit dmv.wv.gov
